CITY OF MANILA FIRE PREVENTION PROJECT

With every swipe and tap, you
help put families on the map

Humanitarian organizations can't help people if they can't find them. MapSwipe is a mobile app that lets you search satellite imagery to help put the world's most vulnerable people on the map.

**WE DON'T JUST BUILD MAPS.
WE BUILD MAPPERS.**

Capitalizing on web-based open geospatial technologies, our mission is to cultivate a generation of young leaders to create resilient communities and to define their world by mapping it.
